Super Morphs – Simple Collectable Card Rules

1. Each player builds a small deck from owned cards.
2. Every card has Power, Attack, Defence, Speed, Type, Rarity and Ability.
3. In a challenge, compare the relevant stat. Highest score wins the round.
4. Abilities can be used once per match unless you later create advanced rules.
5. Legendary cards should be powerful but limited, so the game stays fair.
6. Packs can be sold as Starter, Premium and Collector packs.
7. The User Collection sheet can track owned, wanted, swap and sell cards.
